Session Two: November 9, 2009 – February 12, 2010

*Please check the days and activities your child will attend.

*Most activities have limited space and are filled on a first come first serve basis, so please mark your 1st and 2nd choices for activities.

____Monday

____ Grand County Library: After School Program staff will accompany students as they ride the bus to the library. After a snack, they will join children's library staff for Dance Dance Revolution from 1:00 to 2:00 and Gaming from 2:00 to 3:00. Parents should pick up students at the library at 3:00. The space for this program is very limited, so register early if you wish to attend!

____Tuesday

____ **Camp Boost**: We are delighted to offer this new program from Healthy Lifestyle Choices©. We will explore a variety of themes such as nutrition, fitness, safety, conflict resolution, and more. Each week will bring a new lesson complete with engaging hands-on activities and fun games to help you understand these important concepts. We know you will love it! This activity will be offered every day from Tuesday through Friday, so **please choose Camp Boost for one of the days you attend.**

____ Kids with a Purpose: Did you know that most people are happiest when they are helping others? Here's your chance to find out for yourself just how satisfying it can be to serve others. We'll be looking for ways to beautify our community and put smiles on peoples' faces. Lend a helping hand this holiday season!

____ Natural Wonders: Are you curious about what's happening outside? Do you like exploring? We'll be getting out and moving, making art and crafts, writing stories, reading about nature and learning lots of new things!

____ Champions of Chess: Check mate! Whether you've always wanted to learn to play chess, or just love board games, this is a great opportunity for you. Learn the strategies of the game, step by step, and have fun challenging your friends.

____ Crafts with Marion: Students will have the opportunity to be *creative* with colors, paper, fabric, twine, beads and more. Holiday themes and gifts are her specialty. Come find out what projects Marion has in store!

____Wednesday

____ **Camp Boost**: See above.

____ *Write Now!*: Calling all authors! Join Mr. and Mrs. Warren for a weekly writing adventure. Notebooks and pencils are provided - just bring your great writing ideas. Our goal is for every author to publish a book.

(Wednesday continued)

_____ Native American Club: Here's your opportunity to expand your cultural horizons. It's open to everyone, so come and learn some of the language and traditions of Native American people.

_____ Surprise Me!: Do you love **surprises**? You'll have a new surprise each week if you sign up for this activity. We won't tell! You have to be here to find out what adventure is in store for you.

_____ Wierd Science: Calling all Scientists! Explore a new element of Science each week such as color spheres, gravity, and light bending, and do experiments to bring those concepts to life!

_____ Artistic Inventors: Are you creative and imaginative? Do you like to build things? Join us as we use recycled objects to make cool inventions, art and crafts.

_____ Thursday

_____ **Camp Boost**: See above.

_____ Auto-B-Good©: We know you will love this animated series that takes place in the City of Auto, where all the characters are cars. You'll watch a new episode each week that teaches character lessons like sharing, honesty, and patience. Then you'll do fun activities that relate to that lesson. See you at the raceway!

_____ Yoga and Tumbling: Get ready to stretch, run, jump, and tumble! This is your chance learn more about your body and learn some new skills, too. We've got the mats, we just need you ☺.

_____ Fun with Sports: Learn the basics of traditional sports like soccer, volleyball, basketball, football and more. Let's get outside and have some fun!

_____ Computer Club: Lots of fun activities to improve your computer skills including internet searching and safety, making cards, and using Microsoft word and educational websites. This activity is for 2nd and 3rd graders only, please. **Please note that although computer games may occasionally be played, this club is not for computer games.*

_____ Friday

_____ **Camp Boost**: See above.

_____ Origami: Did you know that you can make a lot more with paper than a paper airplane? Here's an opportunity to learn the art of Japanese paper folding. You'll make animals, objects, and more.

_____ Game Club: If you just love to play games, you'll love this activity. We'll play board games, group games, card games, and more. Bring your ideas!

_____ Artistic Inventors: Are you creative and imaginative? Do you like to build things? Join us as we use recycled objects to make cool inventions, art and crafts.
